Abbreviations (General)

ANCOVA = Analysis of co-variance

BOLD pattern = a specific or remarkable pattern or profile, for example on a dress or wheel - here: within the brain

CPC = Child pornography consume

DSM = Diagnostic statistical manual

EHI = Edinburg handedness inventory

EPI = echo planar imaging

FEW = Family-wise error

HC = Healthy Controls

HRF = Hemodynamic response function

ICD-10 = **I**nternational statistical **C**lassification system of **D**iseases and related health problems.

M = Medium, mean

MRI = Magnetic Resonance Imagining
   ° fMRI = functional Magnetic Resonance Imagining
   ° sMRI = structural Magnetic Resonance Imagining

N = Number

NDRI = norepinephrine–dopamine reuptake inhibitor

P+CSO = Pedophilia *and* Child Sexual Offence
P-CSO = Pedophilia *without* Child Sexual Offence

PD = Personality disorder

PPD = Prevention Project Dunkelfeld

PSC = Percent signal change

RT = Reaction time

SCID = Structured clinical interview for the DSM

SD = Standard deviation

SE = Standard errors

SPM analysis = Statistical parametric mapping

WAIS = Wechseler Adult Intelligence Scale
